THURSDAY 22 FEBRUARY 2018 at 8pm

Keeping the Grand Junction Canal afloat

Doug Stuckey

This talk will describe excavations on two 19th century pumping sites in the context of the canal's very interesting history, and the various challenges its original construction and operation had to overcome. What was found kept sections of the Grand Junction Canal (now part of the Grand Union Canal) operational throughout the 19th century and up to WWII.

THURSDAY 15 MARCH 2018 at 8pm

Mapledurham House and Mill

Corry Starling – Miller of Mapledurham

Mapledurham manor has belonged to the Blount family and its descendants since 1492. The fascinating history of this Grade I listed Elizabethan house and working watermill on the Thames will be described up to the present day.

THURSDAY 26 APRIL 2018 at 8pm

Buckinghamshire in the Civil Wars 1640-1660

Prof. Ian Beckett – Hon. Professor of Military History, University of Kent

The significant effects of the impact of war on prominent county gentry families and local communities will be illustrated in this talk.
