Experience in archaeology is not necessary. We are a friendly, sociable group and many of our members simply have an interest in our local history and heritage - or just enjoy our talks and visits.

*Practical help, particularly with admin, events, surveying, photography, publicity, research, artwork, articles, catering, computers and website assistance are invited and appreciated! If you would like to assist MAS in any way or have relevant experience – or a particular interest in any of the above - please underline which and/or give us details on the reverse.*

Please note: MAS attempts to do good work in the furtherance of local archaeological/historical knowledge. We have very high costs for our equipment and expert analysis so seek voluntary assistance. If now - or at any time - you would like to contribute to this fund (any amount is appreciated) please include with your subs or send a cheque to the Membership Secretary. Thank you.
