Experience in archaeology is not necessary. We are a friendly, sociable group and many of our members simply have an interest in our local history and heritage - or just enjoy our talks and visits.

Practical help, particularly with admin, events, surveying, photography, publicity, research, artwork, articles, catering, computers and website assistance is invited and appreciated! If you would like to assist MAS or have relevant experience – or a particular interest in any of the above – please underline which and/or give us details on the reverse of this form.

Please note: MAS aims to further and share local archaeological/historical knowledge. Equipment costs and those for further analysis are high. If now - or at any time - you would like to make a donation (any amount is appreciated) please include with your subscription or send a cheque to the Membership Secretary.

Thank you - we welcome your membership and support of MAS
